INTRODUCTION

This list has been prepared as a source of basic information about youth organizations and youth-serving agencies in Canada. We hope it will prove useful in identifying groups whose activities may be of interest and the varieties of youth service available in Canadian communities.

We thank the 906 organizations that provided information about their activities and apologize should we have inadvertently omitted or inaccurately identified any.

INTRODUCTION

Ce répertoire est un guide sur les organisations de jeunes et des organismes au service de la jeunesse, au Canada. Il s'avérera sans doute un instrument utile pour tous ceux et celles qui ceuvrent dans des mouvements de jeunesse ou s'intéressent aux questions qui concernent les jeunes.

Nous remercions les 906 organismes qui ont bien voulu nous fournir la description de leurs activités et si, par inadvertance, certains renseignements avaient été omis ou altérés, nous nous en excusons auprès d'eux.

HOW TO USE THE LIST

Each page of the list has eight entries. The first list (Code 01) is of National Groups and is thus presented bilingually. The remaining codes (02-13) are for regional groups and are presented in language of service. Each group is identified by an initial code and each address is followed by additional information presented in coded format. A complete explanation of these codes is found on page iv.

The first line indicates a reference number and, where known, whether it is a youth group or youth-serving organization, the language(s) used and the founding date. This is followed by the address.

The three items following the address indicate:

- areas of involvement, with the three primary areas listed first
- resources available to the public, whether on loan, for sale, or free
- activities planned for International Youth Year.

If we look at the very first entry, the following information is given:

GUIDE D'UTILISATION

Chaque page comprend huit fiches. La première partie (Code 01), bilingue, regroupe les organismes nationaux. Les codes 02 à 13 regroupent les organismes régionaux qui sont identifiés dans leur langue de service. Chaque organisme est identifié par un code initial et d'autres informations codées suivent l'adresse. Vous trouverez plus de détails sur ces codes à la page iv.

La première ligne donne le numéro de référence et indique, lorsque connu, s'il s'agit d'un organisme de jeunes ou d'un organisme de services, la(les) langue(s) utilisée(s) et l'année de fondation. L'adresse suit ces donnés.

Les points suivants, à la fin de l'adresse, indiquent:

- les domaines d'intérêt, les trois plus important en premier lieu;
- les ressources disponibles (pour prêt, vente ou diffusion gratuites);
- les activités planifiées pour l'Année internationale de la jeunesse.

Exemple: le premier organisme du répertoire se lit comme suit:

01-1-YS-B+-76
AIS INTERCULTURE CANADA INC.
M^me^ Sylvie Caron
Secrétaire Exécutive
59, rue St-Jacques ouest
Pièce 402
Montréal (Québec)
H2Y 1K9
(514) 288-3282
1. EDU SOC EXC VOL
2. PAM/NBU/REP-fg
3. DSP MUS SPE SPO

This first listing indicates the following:

01 - this is a national group

1 - the first group to be listed in alphabetical order

YS - a youth-serving organization

B+ - with bilingual services plus the usage of additional languages

76 - incorporated in 1976

Contact person, address and phone number are given

1. The main areas of involvement for this group are in order of preference: Education, Social Development, Exchange and Volunteerism.

2. Their available resources are: pamphlets, newsletters and reports or documents which can be obtained free of charge.

3. Their activities for IYY include: a display, music, speakers and sports.

Since each group is listed by province and alphabetically, you can readily find a specific group. For example, if you wish to find 'Lester B. Pearson College of the Pacific', you turn to the Code 02 Section which lists British Columbia and you will find the entry listed alphabetically at 02-168.

Il indique:

01 - que c'est un organisme national

1 - qu'il est premier par ordre alphabétique

YS - qu'il est un organisme au service de la jeunesse

B+ - qu'il offre des services bilingues et aussi dans d'autre langues

76 - qu'il a été incorporé en 1976

Le nom, l'adresse et le numéro de téléphone de la personne-ressource sont également donnés.

1. Les champs d'activités pour cet organisme sont par ordre d'importance: éducation, développement social, échange et bénévolat.

2. Les ressources disponibles sont: brochures, circulaires, rapports ou documents lesquels sont offerts gratuitement.

3. Les activités pour l'AIJ comprennent: expositions, musique, conférenciers et sports.

Puisque les organismes sont regroupés par province et par ordre alphabétique, il vous est facile de retracer un organisme en particulier. Par exemple si vous désirez le 'Lester B. Pearson College of the Pacific', vous vous reportez à la section codée 02 soit la Colombie-Britannique et suivant l'ordre alphabétique, vous le retrouvrez à la fiche numéro 02-168.

At the back of the listing we have included 3 appendices that list by code number:

- all organizations involved in each separate area of involvement
- all organizations that have each type of resource available
- all organizations that are performing each type of activity for International Youth Year.

The last page is an information form. We would appreciate your cooperation in updating our records, if you are aware of any changes, additions or deletions that should be made to our listing.

If this listing was sent to you personally, and you think it could better serve your entire community, you might donate it to your local school or library.

À la fin du répertoire, 3 annexes présentent les organismes sous les codes suivants:

- champs d'activités
- types de ressources
- types d'activités pour l'AIJ.

À la dernière page, vous trouverez un formulaire d'information. Nous vous serions reconnaissant de nous faire parvenir toute modification à apporter à votre adresse.

Si ce répertoire vous est envoyé personnellement et que vous croyez qu'il pourrait être utile à toute la communauté, n'hésitez pas à l'offrir à votre institution scolaire ou à votre bibliothèque.
